

SAVE THE DATE
JANUARY 13TH - 17TH

WHO:

Calling All Legislators

WHAT:

The Legislative Council and the Legislative Finance Committee are sponsoring a Legislative Week this January when all legislators will be invited to get together, receive training, and have an opportunity to attend other interim committee meetings.

WHEN:

The week of **January 13th - 17th**.
(See the enclosed schedule for the daily breakdown.)

WHERE:

State Capitol in Helena

WHY:

The purpose is to bring legislators together to “cross-pollinate” and provide opportunities to receive some additional training and share information. It is also being held in conjunction with the study in Senate Bill No. 310 that is looking into annual sessions and we thought giving a chance to meet in January 2020 is a small way to try on meeting every year.

Enclosed is an overall schedule so that you can see when interim committees are meeting, when the training will occur, and the topics that will be covered. Information on reimbursement is also posted – and a legislator survey to RSVP will be coming to your email account soon! Details are still in the works and we will post changes to this website as they become available:
